

## Splendors of Byzantine Art An Art Excursions Slide Lecture

Through spring of 2015 a collection of Byzantine icons, jewelry, and sculpture travels from Greece to Chicago for a special exhibition. The exhibit features many objects that have never traveled outside Greece. Art historian Dr. Michelle Paluch-Mishur presents a slide lecture about artwork produced during a thousand years of Byzantine history.

Dr. Mishur is co-owner of Art Excursions, a company that provides private guiding in Chicago; lectures; and boutique art and culture tours in the United States. A popular speaker about art historical and travel topics, she has her Ph.D. in Art History from The University of Wisconsin-Madison and has taught at the university level for many years.
