

## WHAAM! The Art of Roy Lichtenstein: An Exhibition Preview

As one of America's great Pop artists, Roy Lichtenstein produced some of the most iconic images of the 1960s. Art Historian Jeff Mishur discusses selections from Lichtenstein's career including a number of works that will be included in the retrospective scheduled to be presented in Chicago over the summer of 2012. Mishur also positions Pop Art within the larger context of Post-World War II material culture.

Art Historian Jeff Mishur presents this slide lecture. Mishur is an owner of Art Excursions, a company that provides private guiding in Chicago; lectures; and boutique art and culture tours in the United States.
