

Chicago Public Sculpture in “The Loop”

Chicago is widely recognized for the quality of its public sculpture as well as modern architecture. This slide program will introduce its audience to the variety of public sculpture currently on display in and around the Chicago "Loop" and provide an art historical context for each. The program also features two major works from Chicago's Millennium Park -- "Cloud Gate" and "The Crown Fountain." Some of the artists whose work will be discussed in this program are Anish Kapoor, Jaume Plensa, Pablo Picasso, Louise Nevelson, Marc Chagall, Lorado Taft, and Claes Oldenburg.

Jeff Mishur presents this program. Mr. Mishur is owner of Art Excursions, Inc., a company that provides private guiding in Chicago; lectures; and boutique art and culture tours in the United States.
