

Illinois Sculptor: The Art of Lorado Taft an Art Excursions slide lecture

As a teacher and accomplished sculptor, Lorado Taft established an impressive legacy in the state of Illinois. This slide lecture examines a number of important Taft projects including The Fountain of Time, The Fountain of the Great Lakes, Blackhawk, and others.

Art historian Jeff Mishur presents this lecture. Mishur is the owner of Art Excursions, a business providing lectures, private guiding, and small group tours.

To schedule this lecture please email artexcursions@yahoo.com or call 630/671-9745.
