

Images of George Washington: The First President in Painting, Sculpture, and more

This slide lecture examines a variety of depictions of America's first President. Images of Washington changed during the course of his military and political career. He continued to be a popular source for artwork and material culture after his death. This program examines paintings, photographs, sculptures and material culture relating to Washington and their historical context.

Art Historian Jeff Mishur presents this slide lecture. Mishur is an owner of Art Excursions, a company that provides private guiding in Chicago; lectures; and boutique art and culture tours in the United States.
